## **WELCOME AND ANNOUNCEMENTS**

## **LAND ACKNOWLEDGMENT**

We acknowledge that the land upon which St. James UCC stands was originally the ancestral and unceded territory of the Haudenosaunee and Erie people. We celebrate and honor the contributions that Native Americans have made in the past and continue to make today in the Western New York area and the Americas. We embrace the Haudenosaunee philosophy that the decisions we make today should result in a sustainable world seven generations into the future. Additionally, we commit to supporting initiatives that empower the local, national, and international Indigenous communities and to listening, learning, and taking actions to address injustices past and present that have impacted these communities and all God's creation.

## **WORDS OF WELCOME**

**Welcome to St. James, an Open and Affirming congregation of the United Church of Christ, where we strive to be more fully the body of Christ. We are committed to welcoming and celebrating all people and the uniqueness we each bring. As people of faith, we boldly proclaim: No matter who you are or where you are on life's journey, you're welcome here.**

## **\*PASSING OF THE PEACE**

**\*CALL TO WORSHIP** (by Creation Justice Ministries)

Susan Hulbert

- One: Scripture tells us that “creation waits with eager longing for the revealing of the children of God.” (*Romans 8:19*)
- Many: Creation is waiting for us.**
- One: To open our eyes to the devastation in our world.
- Many: Creation is waiting for us.**
- One: To put the needs of the most vulnerable above the greed of the powerful.
- Many: Creation is waiting for us.**
- One: To move from doing what is easy to doing what is necessary and right.
- Many: Creation is waiting for us.**
- One: To prioritize the needs of community over the convenience of self.
- Many: Creation is waiting for us.**
- One: To remove the pollution from our seas, land, air, bodies, and hearts.
- Many: Creation is waiting for us.**
- One: In all these things and more, creation waits for us to assume our roles as its servants and protectors.
- Many: With God’s help, we will answer creation’s call.**

**\*PRAYER OF INVOCATION**

Susan

(adapted from “A Prayer for Our Earth,” in Pope Francis’ encyclical “Laudato Si”)

**All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect your creation and its beauty. Fill us with peace, that we may live as siblings, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to us, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Encourage us, we pray, in our struggle for justice, love, and peace. Amen.**

**\*RESPONSE**

“We Cannot Own the Sunlit Sky” (*Verse 1*)

NCH 563

***We cannot own the sunlit sky,  
the moon, the wildflowers growing,  
for we are part of all that is  
within life’s river flowing.  
With open hands receive and share  
the gifts of God’s creation,  
that all may have abundant life  
in every earthly nation.***

### SCRIPTURES

**Psalm 23** (The Inclusive Bible)

Susan

*No psalm is better known or more loved as a prayer of trust in God. God loves and cares for us now and forever. Psalm 23 cannot be correctly attributed to David as ancient tradition supposed, but it is a tradition generations have followed.*

God, you are my shepherd—  
I want nothing more.  
You let me lie down in green meadows;  
you lead me beside restful waters:  
you refresh my soul.  
You guide me to lush pastures  
for the sake of your Name.  
Even if I'm surrounded by shadows of death,  
I fear no danger, for you are with me.  
Your rod and your staff—  
they give me courage.  
You spread a table for me  
in the presence of my enemies,  
and you anoint my head with oil—  
my cup overflows!  
Only goodness and love will follow me  
all the days of my life,  
and I will dwell in your house, God,  
for days without end.

**John 10:11-18** (The Inclusive Bible)

Rev. Paul

*It may be helpful to read this passage and then to read Ezekiel 34 immediately after. There seems little doubt that Jesus (or his apostolic interpreters, if these were not his own words) made that Old Testament passage the basis for his own ministry as Messiah. One of the enduring images of Jesus is that of the good shepherd. The startlingly different aspect of this passage is the willingness of the shepherd to lay down his life for the sheep.*

I am the good shepherd. A good shepherd would die for the sheep. The hired hand, who is neither shepherd nor owner of the sheep, catches sight of the wolf coming and runs away, leaving the sheep to be scattered or snatched by the wolf. That's because the hired hand works only for pay and has no concern for the sheep. I know my sheep and my sheep know me, in the same way God knows me and I know God—and for these sheep I will lay down my life. I have other sheep that don't belong to this flock—I must lead them too, and they will hear my voice. And then there will be one flock, one shepherd. This is why the Creator loves me—because I lay down my life, only to take it up again. No one takes my life from me; I lay it down freely. I have the power to lay it down, and I have the power to take it up again. This command I received from the Creator.

**LORD’S PRAYER / PRAYER OF OUR SAVIOR** (by United Society Partners in the Gospel)

**Our Creator, who art in heaven, you are also at home in the air, the soil, the forests, and the oceans. Hallowed be your name by the care we take of your creation. Your kin-dom come. All that you see is good. Your will be done on earth as it is in heaven, your will to till and care. Give us this day our daily bread, that all may have enough to live life in its fullness. Forgive us our trespasses—our greed, our exploitation, our lack of concern for other species and future generations—as we forgive those who trespass against us, by reconciliation and justice and peace. Lead us not into temptation to equate**

dominion with exploitation. And deliver us from evil, the evil of destroying your gift of creation. For yours is the kin-dom—yours, O God, not ours—the power, and the glory, in the cross and the resurrection forever and ever. Amen.

**PLEASE JOIN OUR TECHNOLOGY TEAM**

We want to be able to continue offering our worship services on Facebook Live, so we are desperately asking for volunteers to join a rotating Sunday morning schedule of Technology Team members to help. There are members and friends of St. James UCC who rely on this important ministry, and we don't want them to be cut off from being able to attend worship online.

Training will be provided. Alex Wright prepared an illustrated instruction manual with step-by-step instructions that will be made readily available. (Thank you, Alex!) Please prayerfully consider this urgent ministry opportunity.

**TECH HELP NEEDED!**

We need additional members on our Tech Team to keep our worship services running smoothly and our online streaming available to those who watch from home.

Training provided.

*For more information or to volunteer, contact Rev. Paul or Christy in the church office.*

## CREATION JUSTICE OPPORTUNITIES • MISSION AND SOCIAL ACTION TEAM

Today we are observing **Creation Justice Sunday** and **Earth Day Sunday** during worship. Sandy Przybylak, Erie County Climate Ambassador Volunteer (and St. James UCC member!) will be making an overview presentation on the Erie County Climate Action Plan, and she will be available to answer questions during our after-church fellowship time. Explanatory flyers that detail the plan and coloring books for children in attendance will be available.

Also, after church on **April 28**, you're invited to participate in a wonderful opportunity provided by our Mission and Social Action Team. As we work toward our Creation Justice Church designation, one clear thing congregants and the church are encouraged to explore is a property use evaluation as it pertains to what we choose to plant. Native plants—those designed to thrive in our climate zone and support our native insects, birds, and other species—also help to combat the negative effects of climate change.

Master gardener and native plant specialist Lyn Chimera will be with us that day during coffee hour to share valuable information on local natives, with suggestions for your home garden(s) and ours.

About Lyn Chimera: After retiring from teaching, Lyn got her Master Gardener certification from Cornell and began a garden consulting business, Lessons from Nature. She specializes in helping people with sustainable gardening and incorporating native plants into their landscape. They are easy to grow and necessary to help support pollinators, birds, and nature in general.

# Spring Sprucing

**May 7**  
**6:00 PM**

Wear clothes you don't mind getting dirty and come ready to help with some much-needed spring cleaning inside the church. All ages welcome.

Pizza will be provided.

contributes to  
inner calm."*

## What is the United Church of Christ?

The United Church of Christ traces its roots to the Protestant Reformation, the Pilgrims of the *Mayflower*, and traditions indigenous to the United States. There are five historic "streams" that formed the UCC: Congregational, Christian, Afro-Christian, Evangelical, and Reformed.

- In 1931, the Christian Church, along with the Afro-Christian Convention, joined with the Congregational Churches to form the Congregational Christian Churches. Then, in 1934, the Reformed Church in the United States and the Evangelical Synod of North America united to become the Evangelical and Reformed Church. Both of these denominations merged to form the United Church of Christ in 1957. We are a united and uniting church.
- The UCC weaves God's message of hope and extravagant welcome with social action for justice and peace, and our response to the demands of our faith is woven into the history of our country.
- We were the first historically white denomination to ordain an African American (1785) and the first in the modern era to ordain a woman (1853). We were the first mainline denomination to ordain an openly gay man (1972) and affirm marriage equality (2005). We were in the forefront of the anti-slavery movement, the Social Gospel movement, and the Civil Rights Movement, taking seriously Jesus' commandment to "love your neighbor as yourself."

## Welcome to St. James United Church of Christ

- We believe that faith is a matter of heart and mind.
- We believe that taking the Bible seriously does not mean taking it literally.
- We believe that God embraces all people equally.
- We believe that we are called to be nothing less than global citizens.
- We believe that the social expression of love is justice.
- We believe that every generation is called to discover new faith traditions.
- We believe that God continues to speak through the actions and words of people today, just as in times of old.

We are a **Just Peace** church. In the United Church of Christ, Just Peace churches promote peace with justice (a just peace) as an expression of God's love. We support peaceful opposition to intolerance, injustice, discrimination, and war, and we seek the ways of justice and peace in order to make a difference in our lives and the lives of all who experience injustice and violence.

We are an **Open and Affirming** church. In the United Church of Christ, Open and Affirming churches covenant to welcome and celebrate people of all sexual orientations and gender identities. Likewise, we welcome and celebrate people of every faith experience, race, ethnicity, culture, ability, age, background, viewpoint, and life experience. If you struggle with addiction, are recovering from trauma, or have ever felt the pain of exclusion, you are embraced here.

**No matter who you are or where you are on life's journey, you're welcome here.**
